General and special arrangements, provisions, requirements, rules, and specifications on your rights of how to use your digital purchases.

Types of licenses:

- Personal Use - PU

A license intended for personal use, and not for income or profit.

- Commercial Use - CU

A license intended for commercial or professional use to generate income

- Scrap 4 Hire - S4H

The right to use purchased elements to create a specific item (for example a scrapbook, scrapbook layout, cabochon jewelry, journal, or something) with definitive specifications for someone for profit.

Personal Use license

This is the type of license to use for ONLY making things with your multimediacraftsdigi.com Freebies graphics for use at home or for gifts.

Please Do:

- Print for personal use, for your own individual self for things like scrapbooks, junk journals, tags, home décor and other personal crafts that are NOT for sale or for profit. You may gift these handmade, modified items. Attribution is not required.
- Use for personal digital layouts for digital scrapbooking and so forth for PERSONAL use ONLY.

Attribution is not required, but appreciated)

Please Do Not:

- Use the item in commercial layouts (including digital), print designs, posters, advertisements, etc. (such as flyers, brochures, newsletters, photo print layouts, and so on) FOR PROFIT. You may use them on your blog, YouTube Channel or other social media source to show where the graphics came from.
- Use the item on physical products like mugs, shirts, etc. WHICH YOU SELL FOR PROFIT.
- Resell or distribute the digital file "as is"
- Adapt and remix the item, then sell or distribute the resulting derivative works as digital files.
- Distribute a kit of digital files such as CD's, zipped digital scrapbooking kits, and or other individual images in their original state for resale.
- Claim original digital files and copyrights as your own.
